Gift Wrapping Ideas

Skip the wrapping paper & save money this holiday season by using household items.

- Newspaper and brown paper bags
- Tea towels and scarves
- Upcycle cardboard boxes & packaging materials

Gift of Repair

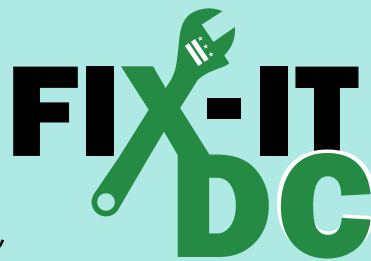

Give the gift of repair this holiday season. By repairing cherished items like jewelry, bikes, furniture and more, you give family and friends a wonderful surprise by giving these well loved items a second life. To find a repair service near you go to reuse.dc.gov.

Learn How to Repair

Attend a Fix-It DC clinic this holiday season and bring a friend! Visitors bring their broken items to the event where volunteer Fix-It coaches provide guidance in troubleshooting how to repair each item.

Items include electronics, clothing & textiles and more.

Visit doee.dc.gov/service/fix-it to learn more.
